A NATIONAL SANITARIUM

Understood That Grand Lodge of
This Secret Society Has a Tentative
Offer for the Sale of This \$1,
000,000 Property — Great Council
Takes Action at Albuquerque.

Albuquerque, N. M., Oct. 14.—A great national sanitarium, for the treatment of tuberculosis to be maintained by the Improved Order of Red Men is the project now being discussed by the order, the institution to be located in New Mexico. The matter came up for discussion at the meeting of the second day's session of the new Mexico Great Council in session here the first of the week. The Great Council decided to begin an active campaign for the project at once. The Santa Fe Railway company has already made a tentative offer of the splendid Montezuma hotel property with 320 acres of land, valued at \$1,000,000, which is located near Las Vegas. The sanitarium project is a three-million dollar proposition, and there is every likelihood of its going through successfully.

The Great Council fire of the Improved order of Red Men for the reservation of New Mexico was quenched here yesterday, after one of the most interesting and the best attended session in the six years of its existence in this territory. The following officers were elected:

Great sannah, Charles L. Keppler, Navajo tribe No. 3, Albuquerque.

Great mishinawa, Col. William H. Mullane, Kickapoo tribe No. 23, Carlsbad.

Great guard of the wigwam, James R. Lowe, Red Cloud tribe No. 4, Las Vegas.

Great guard of the forest, William Altemheim, Blazing Star tribe No. 11, Dawson, N. M.

Great board of appeals—Dr. S. D. Swope, Huachuca tribe No. 18, Deming; E. C. Carskadon, Huachuca tribe, Deming; Rev. H. M. Shields, Dawson.

Committee on by-laws—W. O. Wood, Red Cloud tribe No. 4, East Las Vegas; Jesse L. Turner, Victoria tribe No. 14, Santa Rita; Dr. W. D. Huff, Santa Rita.

Committee on national sanitarium—Leon L. Godchaux, Deming; H. M. Shields, Dawson; William P. Mills, M. M., Las Vegas; Dr. S. D. Swope, Deming.

It was the desire of the Great Council to hold the next meeting at Deming next year, provided this can be done at no greater expense than the meeting at Albuquerque. The matter was left to the decision of the board of control, which is composed of the elective officers of the organization.

Nearly all the visiting great chiefs and officers will remain in Albuquerque for the rest of the week to take in the fair attractions and see the president. There are some twenty visitors here, representing eight of the fourteen tribes in the territory. Never has the organization been in so prosperous and encouraging a condition, according to the statement of the officers and members in attendance.

Well Known Hotel Keeper Uses and Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy

"I take pleasure in saying that I have kept Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family medicine chest for about fifteen years, and have always had satisfactory results from its use. I have administered to a great many traveling men who were suffering from troubles for which it is recommended, and have never failed to relieve them," says J. C. Jenkins, of Glasgow, Ky. This remedy is for sale by all dealers.

The right kind of experience is worth all it costs.

More Than Enough is Too Much

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all dealers.

BACKACHE—KIDNEY MISERY ENDED WITH A FEW DOSES

Usually sufferers from backache, bladder trouble or out-of-order kidneys, feel relieved after several doses of Pape's Diuretic.

Misery in the back, sides, or loins, sick headache, inflamed or swollen eyelids, nervousness, rheumatism and darting pains, heart palpitations, dizziness, sleeplessness, listless, worn-out feeling, and other symptoms of inactive, sluggish kidneys simply vanish.

Uncontrollable urination (especially at night) smarting, discolored water and all bladder misery ends. Feeling miserable and worried is needless because this unusual preparation goes at once to the out-of-order kidneys and bladder, distributing its cleansing, healing and vitalizing influence directly upon the organs and glands affected, and completes the cure before you realize it. The moment you suspect any kidney or urinary derangement, or feel rheumatic pains, begin taking this harmless medicine, with the knowledge that there is no other remedy, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

Your physician, pharmacist, banker or mercantile agency will tell you that Pape, Thompson & Pape, of Cincinnati, is a large and responsible medicine concern, thoroughly worthy of your confidence.

Only curative results can come from taking Pape's Diuretic, and a few days' treatment will make any one feel fine.

Accept only Pape's Diuretic—fifty-cent treatment—from any drug store anywhere in the world.

How to Cure a Cold

Be as careful as you can, you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. For sale by all dealers.

It's A Top Notch Doer

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery, the king of throat and lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Frightful Fate Averted

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Disberry, Kellher, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infalible for wounds, cuts and bruises, it soon cures burns, scalds, old sores, boils, skin eruptions. World's best for piles. 25c at all druggists.

AN INSURANCE POLICY FIGURES IN A SUIT

(Phoenix Republican)

The rather interesting case of Dr. Francis H. Redewell against the Bankers' Reserve Life Insurance company was tried before Judge Kent yesterday. This action was brought to recover the amount of a note for \$341.30 which the plaintiff alleges was procured from him by the fraudulent representations of J. C. Connor, an agent of the defendant company.

The transaction took place last year. The plaintiff was induced by Connor to take out a life insurance policy for \$10,000. The policy was described as a "twenty-payment, life increasing, dividend-sharing, gold bond policy." It was the definite understanding of the plaintiff that at the end of twenty years the policy would have a cash surrender value of \$9440; in addition it would procure for him a paid-up policy for \$20,720, and the policy would participate in the dividends of the company arising out of the profits of its business throughout the United States.

The plaintiff entered into an agreement with Connor for that kind of a policy, which, it must be admitted, would have been a good one, provided the company should keep on its feet. But the policy that the plaintiff received was a quite different one though it was a "twenty-payment, life-increasing, dividend-sharing, gold bond policy." At any rate, that is what it was called.

But it provided that after the twentieth payment the cash surrender value of it should be \$4708; that the plaintiff should receive a paid-up policy for \$10,000, and that his policy should participate in the profits of the company on business arising in this territory only, and not on an business of the company in the United States.

Dr. Redewell had given the agent his note for the first year's premium, \$341.30, and he found that on the day the agent received it he had negotiated at one of the banks of this city and that the proceeds had been placed to the credit of the company, which had later withdrawn its account.

Dr. Redewell sent the policy back to the main office of the company at Omaha, Neb., explaining that that was not the kind of insurance he had bought. The company sent the policy back, and though requested to change it to conform to the agent's representations or to return to the plaintiff the amount of his note, it refused to do either. Then suit was brought. After hearing the evidence, which consisted largely of exhibits, Judge Kent took the matter under advisement.

Another inducement offered the plaintiff by Connor was the appointment of examiner for the company for Phoenix and vicinity. The extensive business which the company expected to do in this neighborhood would bring the doctor in, examination fees a sum equal or nearly equal to the amount of the plaintiff's annual premium, so Connor said. The plaintiff never received the appointment, though one applicant was brought to him for examination. For this service he was allowed \$5.

Following the remarkable record made last year by at least a half dozen of largest railroad systems of the country in not killing a single passenger, five of the state railroad commissions are conducting a campaign against trespassing on railroad property. The commissions interested in the movement are those of Illinois, Indiana, Wisconsin, Michigan and Ohio, which are doing all in their power to induce more rigid laws relative to railroad trespassing and against stealing rides on railroad trains, and are urging a more rigid enforcement of such laws as are now on the statute books.

Is the bitter controversy of 1908 between the railroads and the shipping interests of the United States over the proposed 10 per cent increase in freight rates about to be renewed? That the shippers believe the carriers have not abandoned their campaign for advanced rates, which was dropped the first of the year, is indicated by a call for a general meeting of shippers' organizations to be held in Cincinnati on October 19. Plans will be formulated to block any such action on the part of the roads. The call is issued by sixteen shippers and business men's organizations of Ohio and Indiana, headed by the Receivers and Shippers' association of Cincinnati. Copies of the circular which were received here yesterday show that what are now regarded as the preliminary skirmishes of the controversy on both sides already have taken place.

At a meeting in Albuquerque yesterday between creditors of the New Mexico Central railroad and the bondholders' committee of the railroad, action was taken which practically results in saving the railroad from a receivership embarrassment. The affairs of the road, which runs from Santa Fe to a connection with the Rock Island at Torrance, N. M., a distance of 150 miles, have been in a tangled condition for some time and it was rumored recently that the Rock Island had attempted to buy the property. The creditor became urgent and threatened a receivership. Francis J. Torrance, Harrison Nesbit, John P. Finley and other capital-

YOUR MONEY BACK IF YOU ARE NOT SATISFIED WITH THE MEDICINE WE RECOMMEND

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of the world's greatest research chemists. As an active agent it possesses the valuable qualities of the best known intestinal tonics as well as being particularly pleasant and prompt in its results.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. They come in two sizes of packages, 12 tablets, 10 cents; 36 tablets, 25 cents. Sold in East Las Vegas only at our store, The Rexall Store, E. G. Murphy.

ists of Pittsburg, Pa., who constitute the bondholders' committee, have been in session with the creditors at Albuquerque for several days. As a result a ninety-day extension is granted in which to adjust the road's finances or to effect sale.

Railroad men and the members of the Elks' lodge at San Bernardino, Cal., of which he is a member, are preparing to welcome the visit of R. J. Cutting, the Santa Fe conductor terribly injured in the head-on collision between the Claremont special and the overland at Water street several years ago. Cutting had his back injured in the wreck and for nearly three years lay in the Santa Fe hospital at Los Angeles, finally to be discharged as well as he can possibly for the remainder of his life. During his many months in the hospital, hanging between life and death, a romance sprang up between himself and the faithful nurse, Miss Anna O'Toole, and a few weeks ago they were married. It is stated that the Santa Fe settled on a basis of nearly \$15,000 in cash and an allowance of \$200 per month for the rest of his life. Although unable to walk he is able to sit up and his friends in that city are anticipating a visit from the couple in the near future. They have purchased a home in Los Angeles and an automobile. The injured conductor is enjoying himself as much as possible, even though injured for the remainder of his life.

WORTH MOUNTAINS OF GOLD

During Change of Life,
says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's

Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter."—Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.
